Sale of semen.

1. No semen will be dispatched without the receipt of a completed booking/order form and full payment.
2. Semen is not insured once it has been dispatched from the distribution centre. Please speak with your veterinarian to check if it is insured while stored with them.
3. All prices apply to the UK and are subject to change. Please check.
4. It is the clients responsibility to ensure Shovern Stud have insemination dates before the 1st October for any mare inseminated, for covering certificates.
